Cologne Chip Headquarters | Directions

Our company's office is located on the corner of Victoria Street / Eintracht Street. On the backside you find two road maps.

How to get there…

...by airplane

At airport *Köln/Bonn* the train station is located underground between the terminals. Train number 13 takes you every 20 minutes from there to Cologne Central Station (ride time: 16 minutes).

…by car

Victoria Street (Kyoto Street) is the connecting road between *Mediapark* and North-South-Passage (Tunis Street). We suggest to park the car at the car park of *Maternushaus* across the street. To get there please turn right at the crossing of Victoria Street and North-South-Passage. Stay on the very right lane and after 20 m turn right into the drive way of *Maternushaus-Tiefgarage* (see red arrows on road map overleaf).

...by train

From the Central Station it is a 5 minutes walk to Cologne Chip Headquaters. You can either take the front exit (*Domplatte*) or the rear exit (*Breslauer Platz*) of the Central Station (see road map overleaf).

…by subway (KVB)

Please get off at subway station *Appellhofplatz* (you can take number 3, 4, 5, 16, 18 and 19). Leave the station through exit *Katenbug* by walking about 200 m through an underground passage. Now follow the streets *Katenbug* and *Kardinal-Frings-Strasse* to arrive at *Eintrachtstrasse* (see road map overleaf).
